

Festive High Chai

Available to 30th December 2025
(excluding 24th - 26th December)

A twist on the British classic afternoon tea. Taking inspiration from past and present local flavour has weaved a thread of spice into our menu, and celebrate the tapestry of local flavour we have around us. From Chai lattes to our signature fig and cardamom scones - it's afternoon tea, the Ansty Hall way.

Our High Chai is served in two parts - savoury first, followed by patisseries and home-made scones
